Digital audio is booming!

- Mediahuis Radio has 23 streaming-only radio stations. For example: SLAM! Housuh in de Pauzuh, 100% NL Feest, Veronica RockRadio, Sublime Soul Classics.
- With 1.7 million listeners per month, generating 67 million stream starts per year.
- Pre- and midroll ads are used.
- There are opportunities for geotargeting, claiming one or more stations, and applying creative dynamics.

■ High Attention Audio Packages

De Klok

Increase your brand awareness with radio!

Want to boost brand recognition or drive traffic to your website or store? Want to tell more about your product at relevant times and listening locations? Radio can make it happen!

With the High Attention Audio Package 'The Clock', you're heard throughout the day. This allows you to quickly achieve high campaign reach and establish an effective contact frequency with your target audience. Your product or service is heard just before the news broadcast.

These fixed contact moments in a prime position make your brand stand out even more to listeners!

Media campaign 'De Klok'

We close the commercial break before the news with your audio spot featuring a commercial message, followed by the audio board '[Advertiser X] sets the time to ... o'clock!' After this, the news report follows. As a sponsor of The Clock, you can choose either the even or odd hours from Monday to Sunday, between 06:00 and 24:00. This means your brand is heard up to 9 times per day!

De Verkeersinformatie

Increase your brand awareness with radio!

Increase brand awareness or drive traffic to your website or store? Want to share more about your product at relevant times and listening locations? Radio can make it happen!

With the High Attention Audio Package 'Traffic Information,' you're heard throughout the day. This allows you to quickly build a high campaign reach and achieve an effective contact frequency with your target audience.

As a sponsor of Traffic Information, you can effectively tap into the context of driving, traveling, and traffic. This increases the attention value of your message. Think of products like car leasing, fuel, or car insurance. Your product or service is heard just before the traffic report. These fixed contact moments in a prime position make your brand stand out even more to listeners!

Media campaign 'Verkeersinformatie'

Throughout the entire week, right after the news report, the Traffic Information audio board is heard ('Traffic Information is made possible by [Advertiser X]!'). This prominent A-position is followed by your audio spot with a commercial message.

Het Weerbericht

Increase your brand awareness with radio!

Want to increase brand awareness or drive traffic to your website or store? Want to tell more about your product at relevant times and listening locations? Radio can make it happen!

With the High Attention Audio Package ‘Weather Report,’ you're heard throughout the day. This allows you to build a high campaign reach and achieve an effective contact frequency with your target audience.

As a sponsor of the Weather Report, you can effectively tap into the context of (holiday) weather and weather-dependent products. This increases the attention value of your message. Think of products like hay fever, BBQ, or sunscreen products. Your product or service is heard just before the weather report. These fixed contact moments in a prime position make your brand stand out even more to listeners!

Media campaign ‘Weerbericht’

The Weather Report is broadcast from Monday to Friday (between 07:30 and 19:30) and on weekends (between 11:00 and 15:00) every half hour, directly after the commercial break. The commercial break ends with your audio spot. Just before the weather report, an audio board with the message ‘The Weather Report is made possible by [Advertiser X]!’ is heard.

- The standard length of the audio spot is 10 seconds, and the standard length of the audio board is 5 seconds.
- The 'monthly radio index' applies to the gross pricing.
- Excluding costs for the production of the audio board and/or the audio spot (not applicable if the audio spot is provided).
- The week runs from Monday to Sunday.

■ High Attention Audio Packages

Het Vacatureblok

How do you find the right candidate as an employer?

Especially for companies looking for new staff, 100% NL, Radio Veronica, SLAM!, and Sublime air The Job Block four times a day at fixed times.

The job block has become a very recognizable sound on our radio stations, thanks to the specially created audio opener and closer. This allows you to promote your vacancies both on air and online (on the station's website).

The website offers space for an extensive job description, a compelling company video, and the ability to apply. By using The Job Block, your vacancy receives full attention, while also increasing the brand awareness of your organization.

With the right employer branding, you can position your company as the preferred choice and maintain that position in the minds of your employees and potential new talent.

Media campaign 'Het Vacatureblok'

The 'Job Vacancy Information' is aired at fixed, recognizable times in a prominent position within the commercial break:

- Monday to Friday 07:30, 10:30, 13:30, and 16:30
- Saturday and Sunday 09:30, 11:30, 13:30, and 17:30

Number p/wk	Audiospot	Audioboard
Radio Veronica	49	49
100% NL	40	40
